

JOB TITLE: Part-time Baseball Field Maintenance

REPORTS TO: Maintenance Director

POSITION SUMMARY We are looking for a reliable, self-motivated individual to ensure our baseball field is safe, playable, and professional-looking. This role requires flexibility during the season, mainly working evenings and weekends.

KEY RESPONSIBILITIES

Preparing REV baseball fields before game play, during, and after.

- Surface Management: Drag and groom infields to ensure smooth play.
- Setup: Install bases prior to game time and secure them post-game.
- General Repair: Fill holes in the mound, batter's boxes, and sliding areas as needed.

SCHEDULE & TIME COMMITMENT

Weekday Games:

- Evenings as needed determined by the Maintenance Director

Weekends:

- Typically 12 hours on Saturday and Sunday to help maintain the fields during tournament play. Applicant would be the staff member working throughout the entire weekend.

Rain & Weather Protocols:

- Must be flexible. Rain days often require time management.
- Communicating if the field is not playable to the REV operations manager.

QUALIFICATIONS

- Punctuality is essential.
- Must be able to lift bases, rake dirt, and walk the fields extensively.
- Experience with baseball fields is helpful but not required
